Dear Michael,

Thanks for the letter. I enjoyed meeting you as well. This is a tad bit backwards from the way I usually interview job candidates, but I need you to fill out an employment application and send it back to me. I couldn't remember whether I had given you one or not. In addition, I'd like for you to send me a tape of your actual on-air work if possible. I'll be back in touch after I receive those items.

Once again, thank-you for your interest in WRVA News!

Sincerely,
